Work Experience

Junior Houdini VFX Artist

Fifth Wall

From: Jul 2023 - Now 2 years

- ♦ Working in a small team with quick turnarounds for pitching on projects.
- ♦ Pre-production RnD and setup creation.
- ♦ Contributing to tool creation and automation for faster workflows.
- ♦ Creating setups for small to medium-size effects (Fire, Snow, Water, Dust, RBD etc.)
- ♦ Responsible for lighting shots and creating slap comps.

FX Intern

Electric Theatre Collective

From: Jun 2022 - Sep 2022 3 months

- ♦ Worked with handed-down Houdini scenes to achieve the client's vision.
- ♦ Picked up and tweaked other artists' shots to meet scheduling demands.
- ♦ Created setups for smoke and particle sims.
- ♦ Worked with adjacent departments to deliver quality shots on time.

Nurse's Assistant in Eldercare

Kävlinge Kommun

From: Oct 2019 - Aug 2020 10 months
May 2021 - Aug 2021 3 months

- ♦ Worked in a team to meet the daily needs of our patients.
- ♦ Coordinated with colleagues and patients to deliver quality care on a schedule.
- ♦ Communicated important information with patients and their families.

Education

BA (Hons): Visual Effects for Film and Television

University of Hertfordshire

From: Sep 2020 - May 2023 3 years
Grade: First-Class Honours

- ♦ Worked on two major short film group projects during university, both receiving multiple international student film festival award nominations.

Other interests
